Property Description

The surroundings

If there is one unique place in Ibiza, it is the Salinas nature reserve. Known for the salt flats that sometimes turn a beautiful pink, the flamingos, and the beach of the same name. Both the bays of Es Cavallet and Salinas can be reached within a few minutes drive or are perfect for a beautiful walk through nature.

The plot and villa

There are very few houses for sale in Salinas, so this is a unique opportunity. The two-story villa has the characteristics of a finca with thick walls, and in some places, significant wooden beams are found on some of the ceilings. The property has a charming character and is crisp white both inside and out. There are three bedrooms, all with generous fitted wardrobes and two bathrooms. The master bedroom has an en-suite bathroom via a split
