

## Cabo de Palos

Price: 4 500 000 €

Beautifully designed villa, under modern architecture, with breathtaking sea views! An authentic Spanish fishing village situated on the Mediterranean Sea, with beautiful rocky coastlines, interspersed with miles of sandy beaches. That is where this beautiful villa, built in very clean lines, stands. A village where many Spaniards live (semi) permanently or spend their holidays together with people of all nationalities. The lighthouse at the end of this village dates from the nineteenth century and offers a beautiful view over the coastlines of both the village and La Manga. At a glance you can see why this beautiful village is such...
