Price: 781 000 €

Prices from € 781 000 - € 854 000 These named flats enjoy a privileged location less than 200 metres from the beach and an unrivalled south-facing orientation. Because of their elevated location, the flats have a magnificent view of the complex itself and/or the sea. The towers consist mainly of flats with 2, 3 or 4 bedrooms and 2 bathrooms, but there are also exclusive penthouses with their own whirlpools. Important are the large windows inside and the covered terraces that harmonize with each other, which contributes to the feeling of an enormous open space. The residential area offers two types of properties,...
