Villa Neva is located in the exclusive Racó Galeno 34 plot, a residence that combines architecture with nature and finishes with wood, concrete and stone, creating a beautiful architectural design. Nature is introduced into the house through the large windows that visually double the spaces and, together with the light of the Mediterranean Sea as a great ally, manage to create a perfect dialogue between the interior and exterior. The interior of Villa Neva is full of details, decorative elements and panelling that create different atmospheres. Lighting that brings warmth to the house, rooms with double height ceilings, glass walls that come...
