In the Residencial, located on the coast, we will build 5 unique and exclusive independent villas, modern and with an avant-garde design combined with the best finishes and views of the sea and coast you can wish for. A dream to enjoy every day of the year with your family, a paradise of 380 m2. housing plus independent plot, with all the technical advances. An exhaustive and meticulous construction process has been applied, creating a rational distribution of space while creating well-connected and large rooms, an almost free construction, meaning that there...
