**Traditional Andalusian style villa made to have friends and family over. It has a large outside dining area, an oven, and vegetable garden. There is a building permit to build an additional floor, which would offer even more spectacular views of the sea. This property was designed by the owner and built in 2001. It is located just east of the center of Marbella about 10 minutes away in a villa district....**

**1 120 000 €**
