El Paraíso Alto

Villa

Bedrooms	7	Bathrooms	6	Built area	572 m²	Terrace	170 m²
----------	----------	-----------	----------	------------	--------------------------	---------	--------------------------

This magnificent villa has sea views and a beautiful botanical garden. It is located in the Urbanisation of El Paraiso. The land parcel has almost 2.500 m2 and this area is part of the New Golden Mile. There are a number of shops, restaurants and sports facilities nearby. Puerto Banus is only 5 minutes drive from this property. The villa was built in 1997, however 5 years ago there was a refurbishment of the entire top floor. In total the villa has 3 floors. In the lower floor with seperate entrance you will find a guest apartment with its own kitchen and bathroom. On the entrance level of the main house there is a living room, guest toilet, dining room, kitchen, a bedroom and terraces (both covered and uncovered). From the...
