Villa

Bedrooms	5	Bathrooms	4	Built area	395 m²	Terrace	m²
----------	----------	-----------	----------	------------	--------------------------	---------	----------------------

Detached villa in La Resina Golf very close to the clubhouse. The villa is distributed on 3 floors and a roof terrace. There is a total of 5 bedrooms, 4 bathrooms and a guest toilet. The living room is spacious and bright with a dining area and easy access to the main terrace. The house has airconditioning hot and cold. The kitchen is separated from the living room and there is an additional dining room next to the kitchen. In the basement there is a small guestroom with its own kitchenette. Also the basement has a gym, movie screen and a pool table. The whole house has been recently remodeled and as such there is about 100 meters of additional useful spaces. The villa has fiber optics connection in all...
