The apartment is a corner unit on the top floor, which makes it very quite and with windows all around. The property is built in modern high standards. Recently the owners did a full kitchen refurbishment and also had installed window curtains and other upgrades. This apartment is close to El Paraiso area, which has many international restaurants (Spanish, Lebanese, English, Indian cuisine to name a few) and family-friendly activities (swimming, playground, soccer field, basketball field, etc.). A special feature of the apartment is the cosy terrace with a movie projector, the pool with the typical Spanish restaurant and the relaxed neighborhood. The apartment is ideal for couples and families (with kids)....
