Our shared housing model, in La Cala Golf Resort, Mijas The 6:1 house is based on the principles of the sharing economy. In this model, six owners share a residence purchased through a Danish P/S, with equal rights to the apartment. The 6:1 housing sharing model is ideal for those who enjoy an active vacation, relaxation, or a combination of both. The apartment is selected based on its proximity to various activities, gastronomy, and cultural attractions. One of the key features of the shared house is the flexibility it offers to combine an active vacation with limitless options. The apartment is located in La Cala Golf Resort, Mijas, a town known for its stunning beaches and tranquil lifestyle. The town is conveniently located 20 minutes from Malaga Airport. The apartment The apartment itself is...
