Property Description

The surroundings

This fantastic property is located very close from the picturesque village of Jesús. Close by is the famous sandy beach called Talamanca, but the village itself also has plenty to offer and facilitates all necessary shopping facilities. There are several supermarkets and a pharmacy, but just as nice: delicatessen shops and specialty shops. The village is full of authentic, artisan shops where you will enjoy doing your shopping. The popular village is close to Ibiza Town, so you can be in the city center within a ten-minute drive. Despite the fact that the village is close to the busy city, Jesús has certainly managed to retain its own charm and tranquility. After a few residential areas, the area turns into green, pine forests and even the dunes. Good to know is that in addition to the well-known beach mentioned...
